**“Youth Against Radicalism”**  
**06.06. - 13.06.2019,**  
**Poronin/Murzasihle, Poland**

The „Youth Against Radicalism" project is a joint initiative of 7 organizations representing 7 countries: Poland, Portugal, Lithuania, Croatia, Greece, Bulgaria, Spain ( 5 participants- 4 youth (18-25 years) and one group leader (without age limit) per country), in total 35 participants.

The overriding goal is to support participants and young people in understanding and explore topics co-related with tolerance, intercultural integration, establishing social dialogue, broadening knowledge in the field of human rights or civic awareness, counteracting negative phenomena, such as xenophobia, racism, aggression, lack of tolerance, etc.

During the project participants will be working on participation and implementation of improvisation and drama workshops, implementing their own activities and creating the final product- comic book.

During the youth exchange, youth, we will not only share thoughts, experience, acquire new knowledge (including active citizenship, civic awareness or observance of human rights) and skills. We also want to involve the local community during our happening, but above all, we want to use this time to create a comics in which the Mascot invented by us will play the main role - the voice of youth who opposes negative behaviors in Europe. We will create stories that make up the whole comic strip, depicting the negative behaviors that young people had to deal with - being a victim or an observer.

In an accessible and simple way, by means of illustrations, we will present problems, as well as the possibilities to solve them, prevent negative phenomena and become a conscious and tolerant citizen of Europe. The comics is also a very good way of expressing our emotions, fighting with stress or therapy. Using illustrations, our peers who are shy may express their opinion in a very expressive and firm manner.

Age of participants: 18-25 (4 participants and 1 group leader per country, in total 5)

Dates of the of youth exchange: 06.06.-13.06.2019 (a shuttle bus will be arranged from Kraków's city center and departure at the afternoon at 06th of June- a certain hour will be announced before the YE, at 13th of June departure time from the venue will be provided after a morning session around 11:30).
